LMS REGISTRATION AND NAVIGATION JOB AID

FOR PROVIDERS

TMHP
Texas Medicaid & Healthcare Partnership
A STATE MEDICAID CONTRACTOR

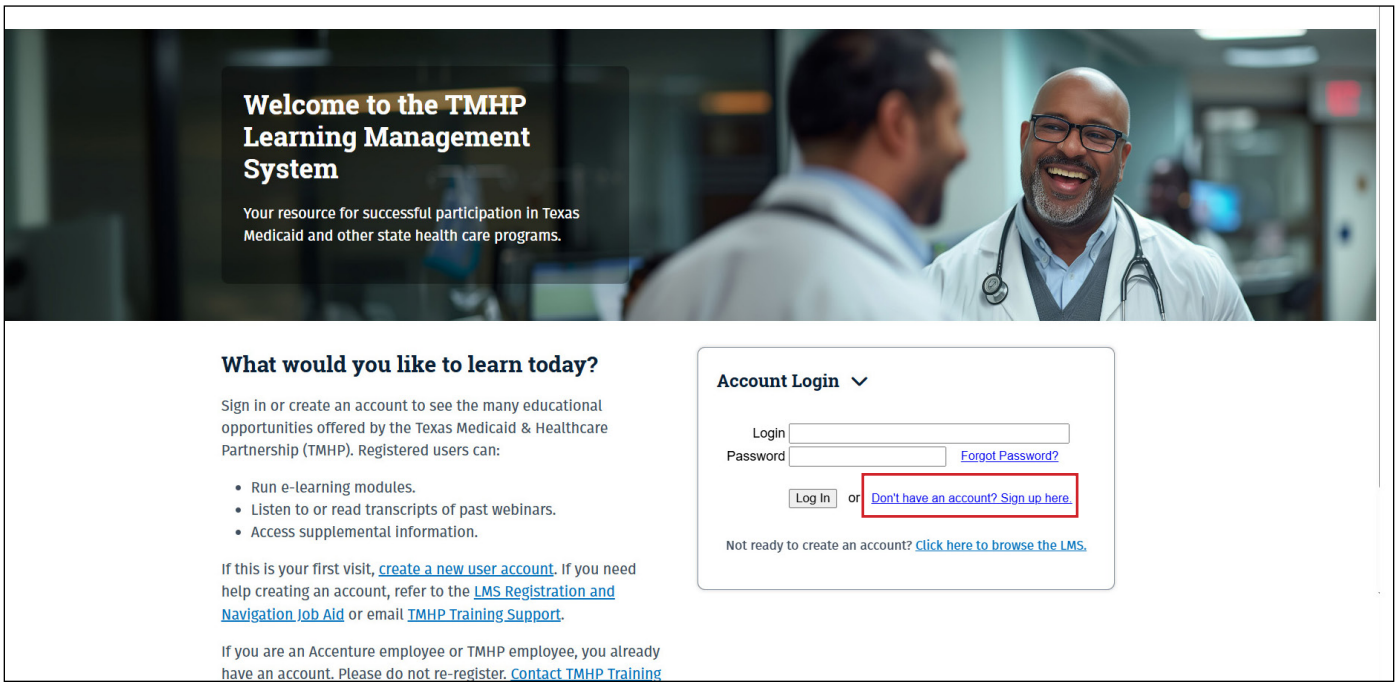
v2025_1031

Providers can access the Texas Medicaid & Healthcare Partnership (TMHP) Learning Management System (LMS) to view educational materials such as eLearning modules, user guides, job aids, videos, and much more. First-time users are required to create an account to access materials in the LMS.

Creating an LMS Account

1) Go to learn.tmhp.com.
   Note: If you're using a virtual private network (VPN) to access the LMS, you may need to disable it. Once you're connected to the LMS, you can reconnect to the VPN.

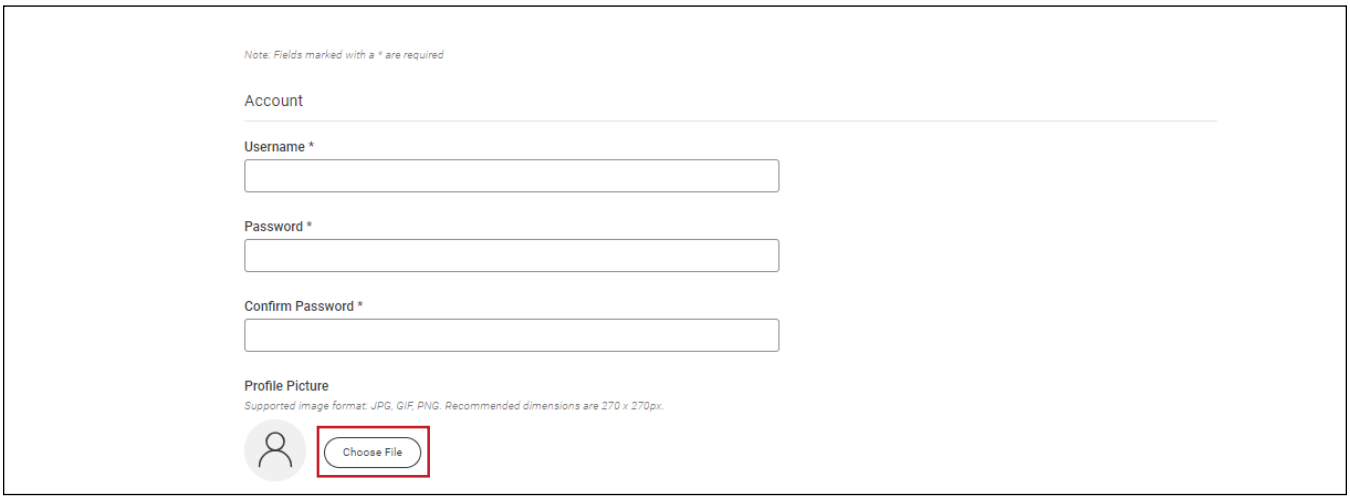
2) To create an account, click **Don't have an account? Sign up here**. A New User Registration window opens.



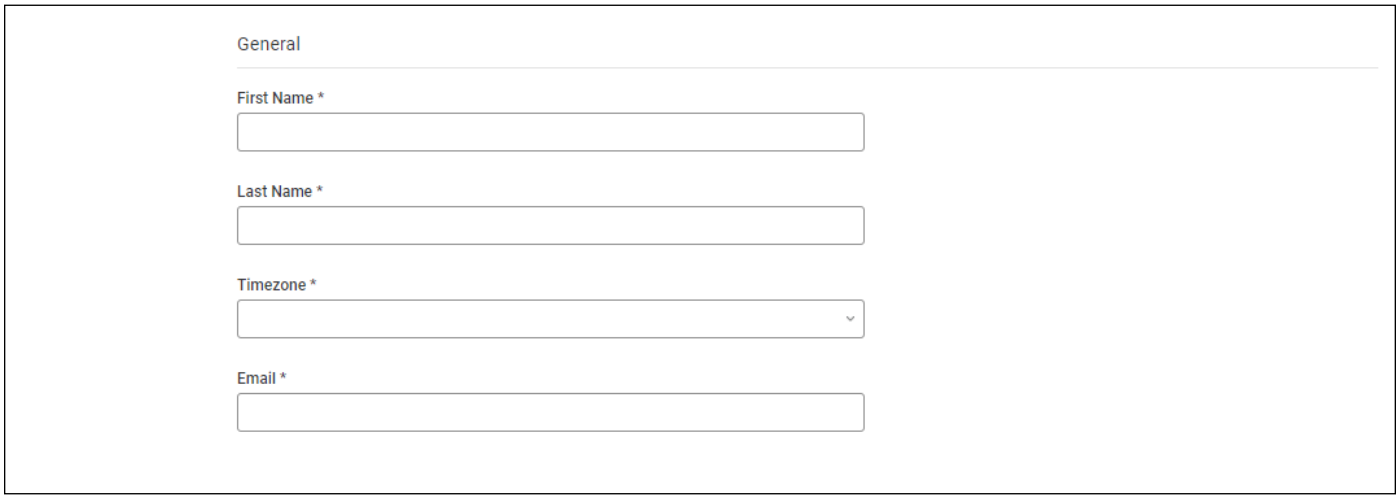
Note: If you're not ready to create an account but would like to browse topics on the LMS, select **Click here to browse the LMS**. You can view titles and descriptions of the educational materials available on the LMS, but you won't be able to access the materials until you've registered for an account.

3) Enter the following account information in the New User Registration window:

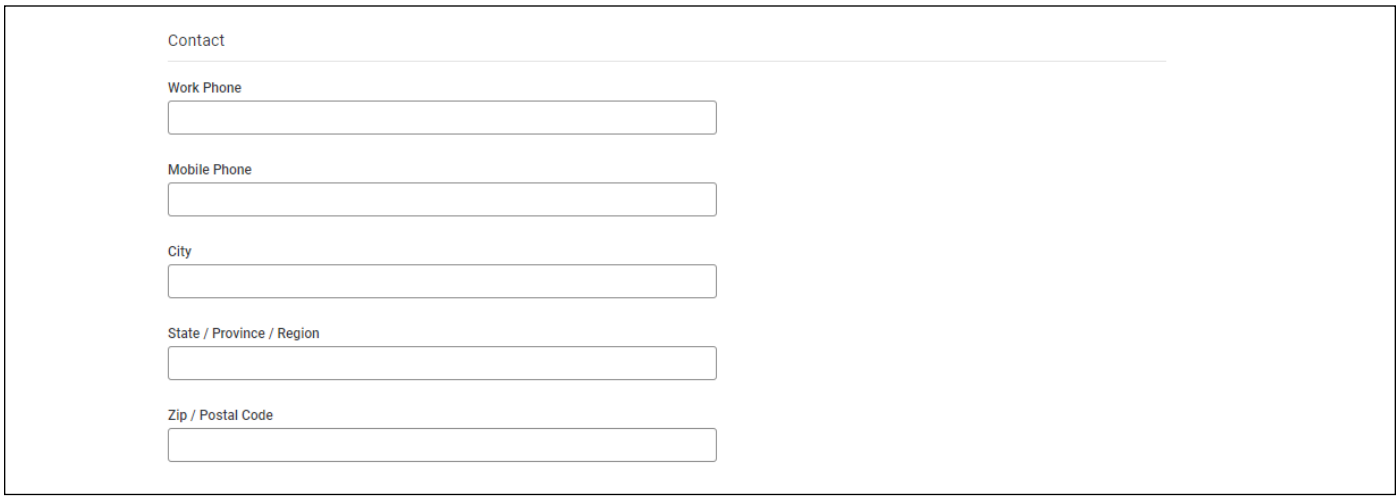
- Username—We suggest using your email address.
- Password—Create a password that has at least seven characters and contains at least one special character (!@#$%^&*), one letter, and one number.
- Confirm Password—Reenter the password you created.
- Profile Picture—This is an optional field. If you'd like to add an image to your profile, click **Choose File** and select a picture stored on your local computer.



4) Complete all required fields in the General section.



5) Enter information in the Contact section, as preferred. Fields in this section are optional.



6) Complete all required fields in the Custom section.
Note: An Atypical Provider Identifier (API) can be entered in the NPI Number field instead of a National Provider Identifier (NPI) if an NPI is not available.

7) Click **Register**.
Note: The Register button will be disabled until you've completed all the fields.

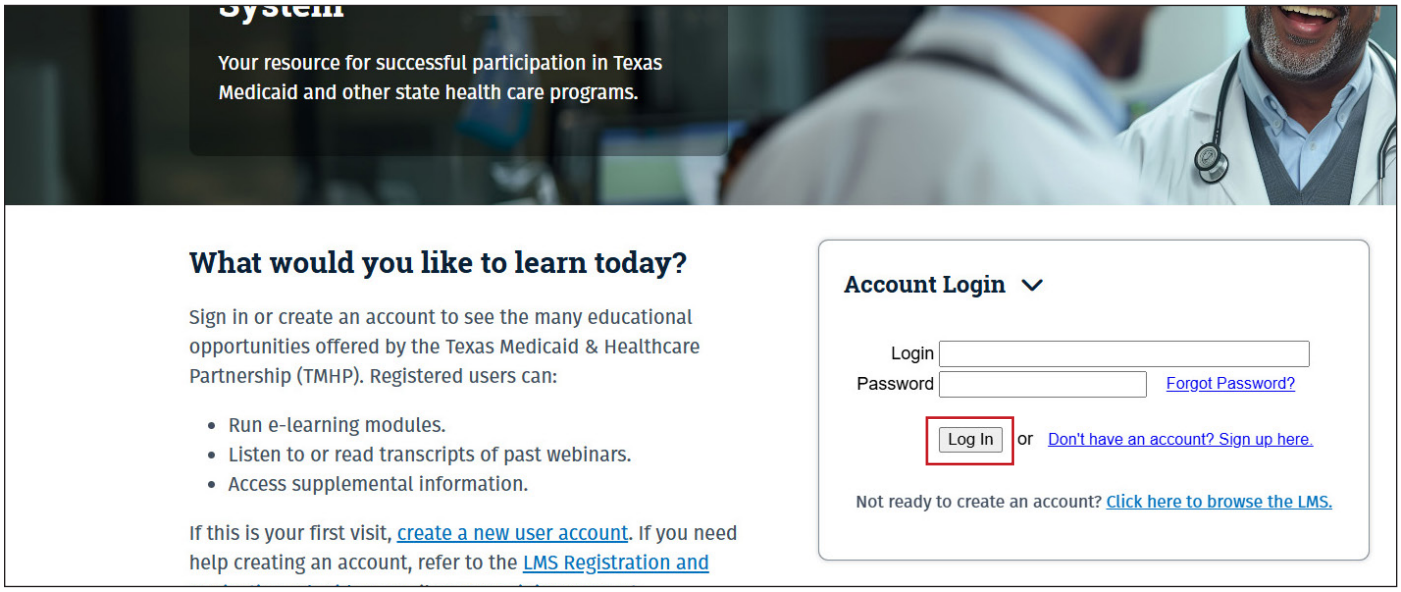
8) The Welcome page is displayed.

Viewing Materials in the LMS

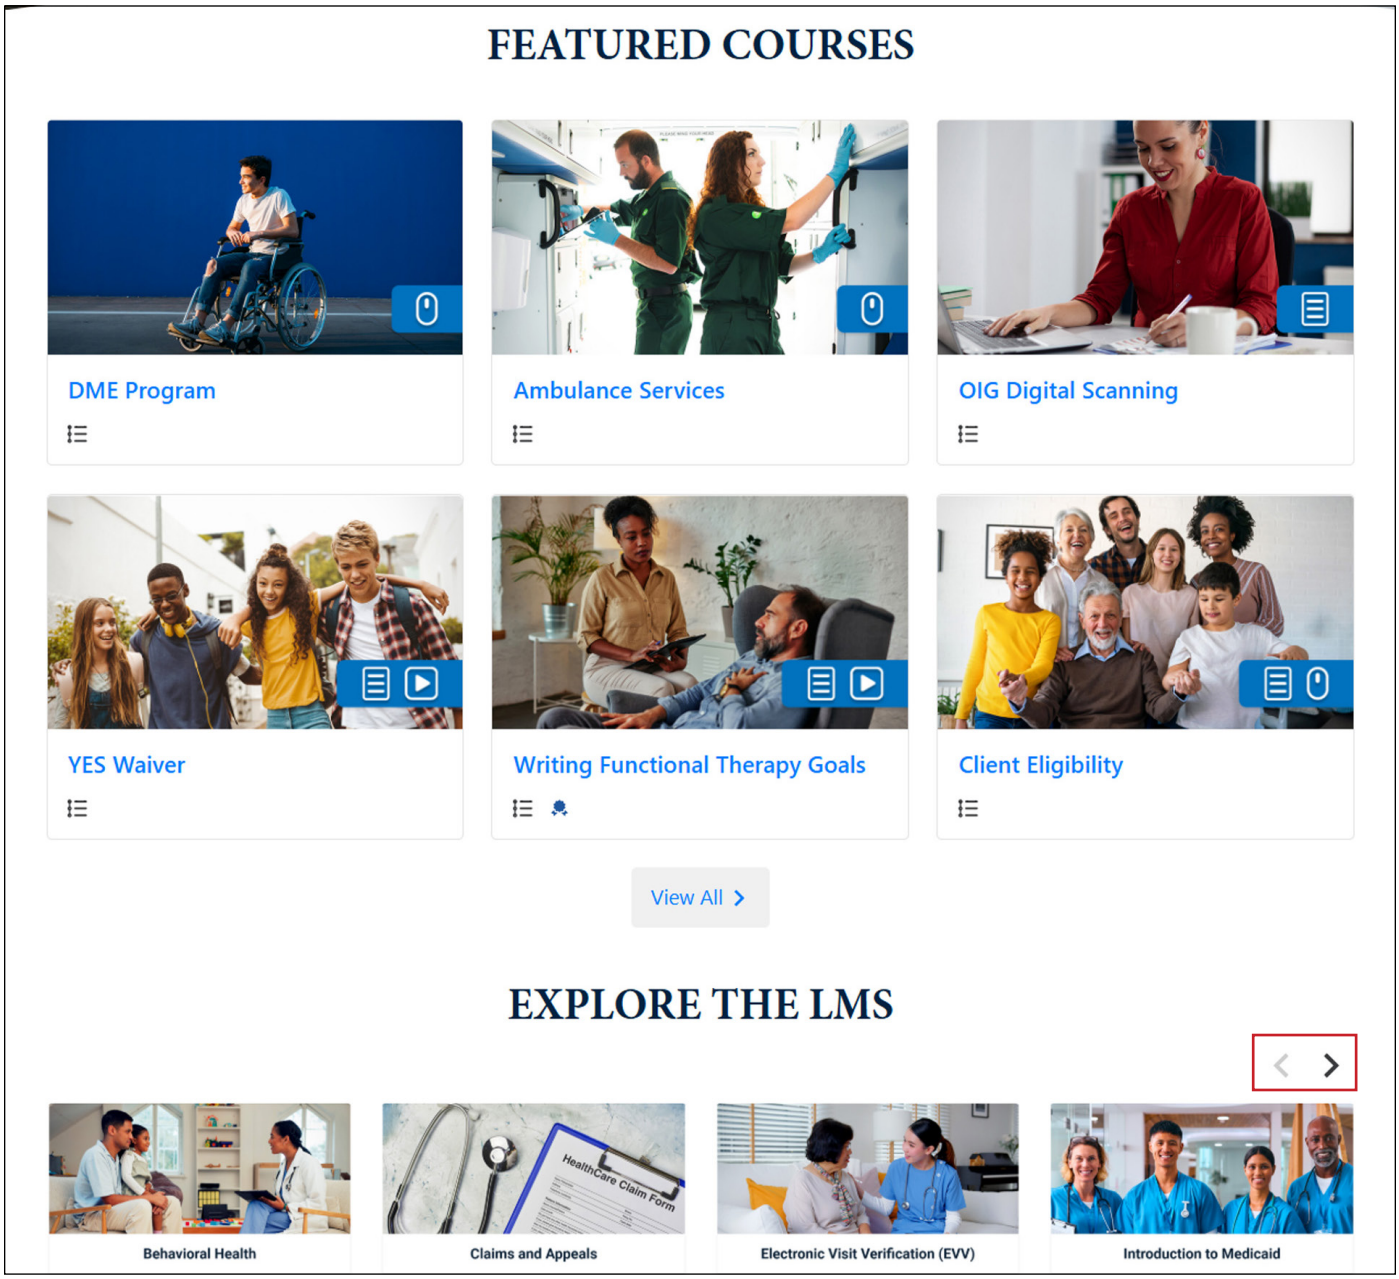
1) Go to learn.tmhp.com.

2) Enter your login and password.

3) Click **Log In**. The Welcome page is displayed.



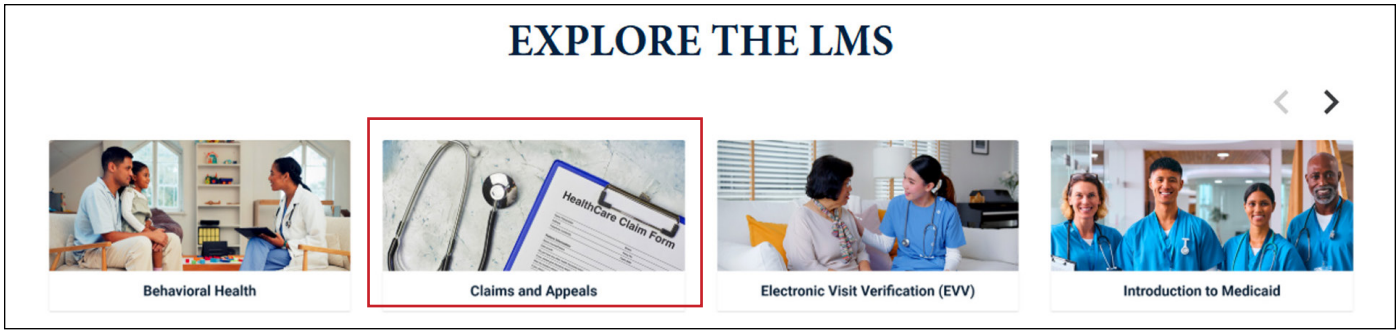
4) Click a featured learning path, or use the arrow icons to view the topics.



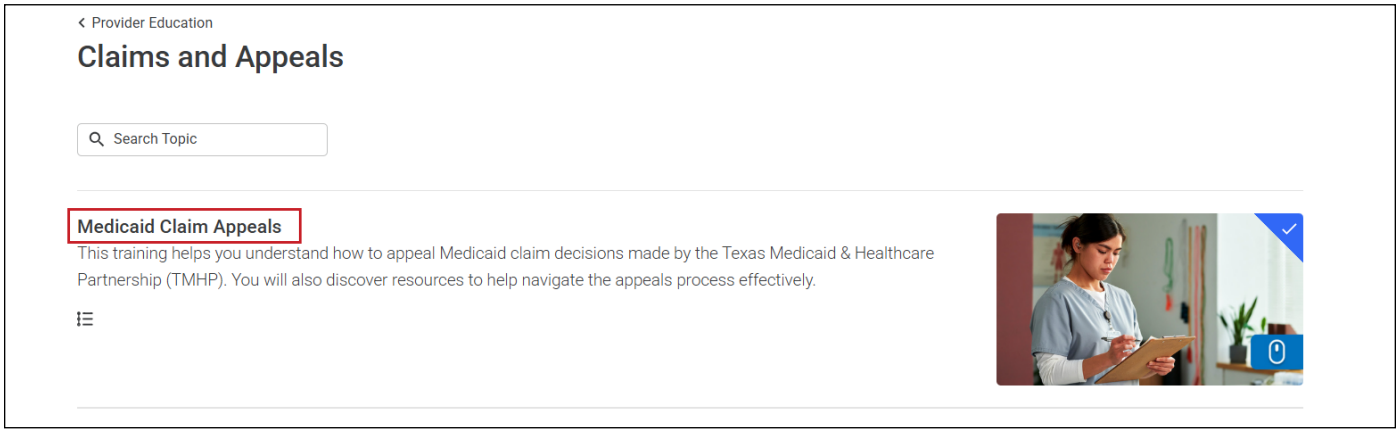
Topics

Each topic displays a list of educational materials related to the topic.

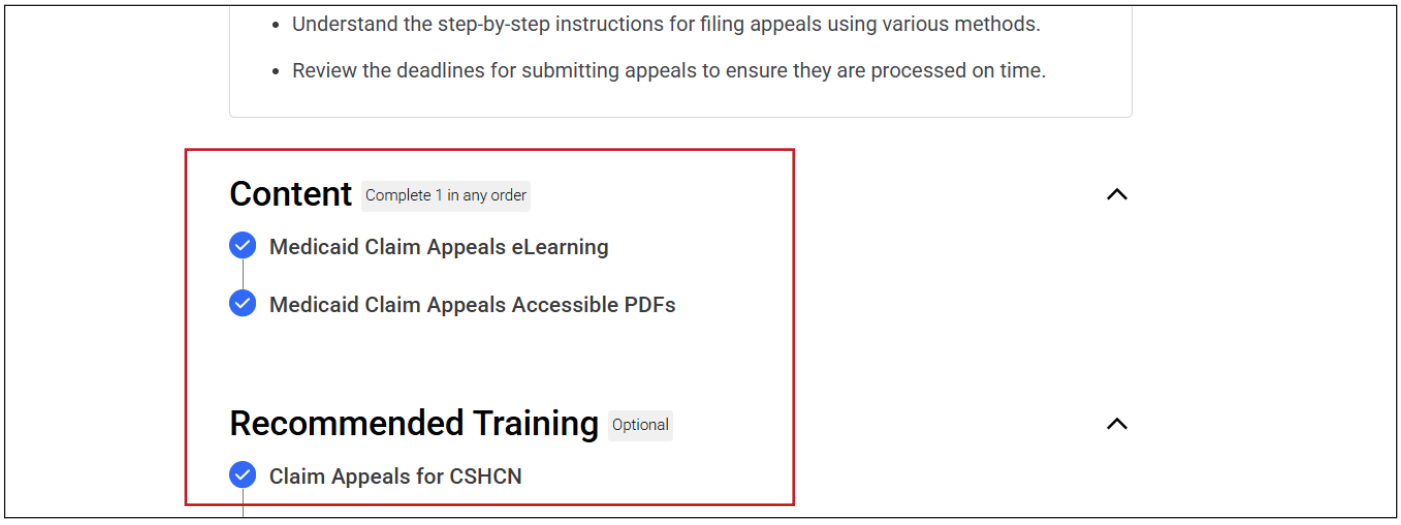
1) Click a topic image or name to view a list of materials related to the topic.



2) Scroll down the list and select a learning path by clicking the title. A list of activities is displayed.



3) Select a deliverable to view. The material is displayed.

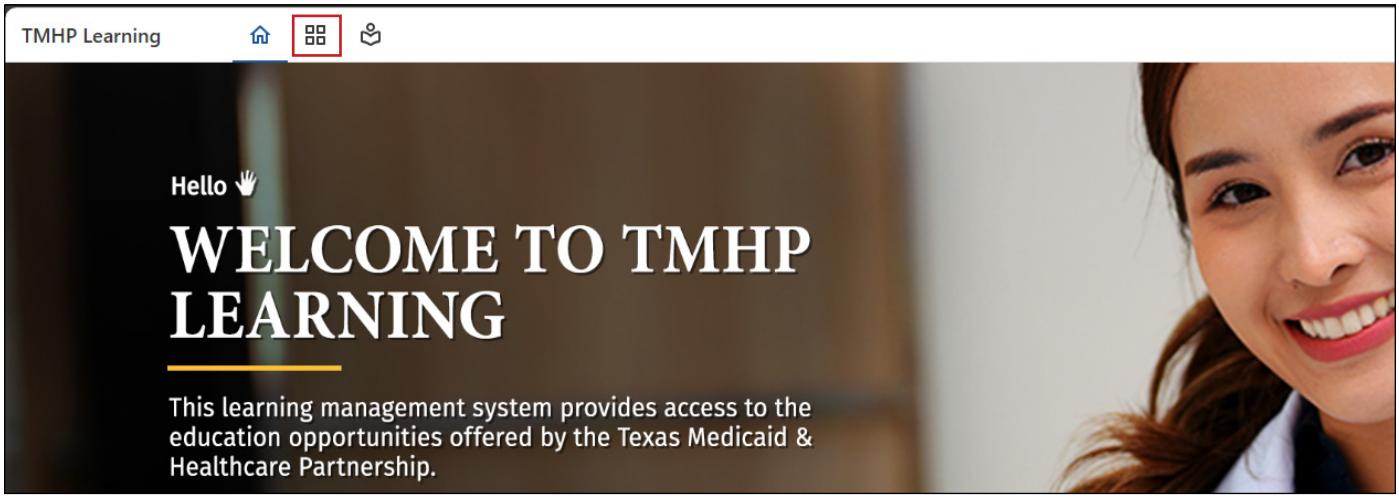


Other LMS Search Options

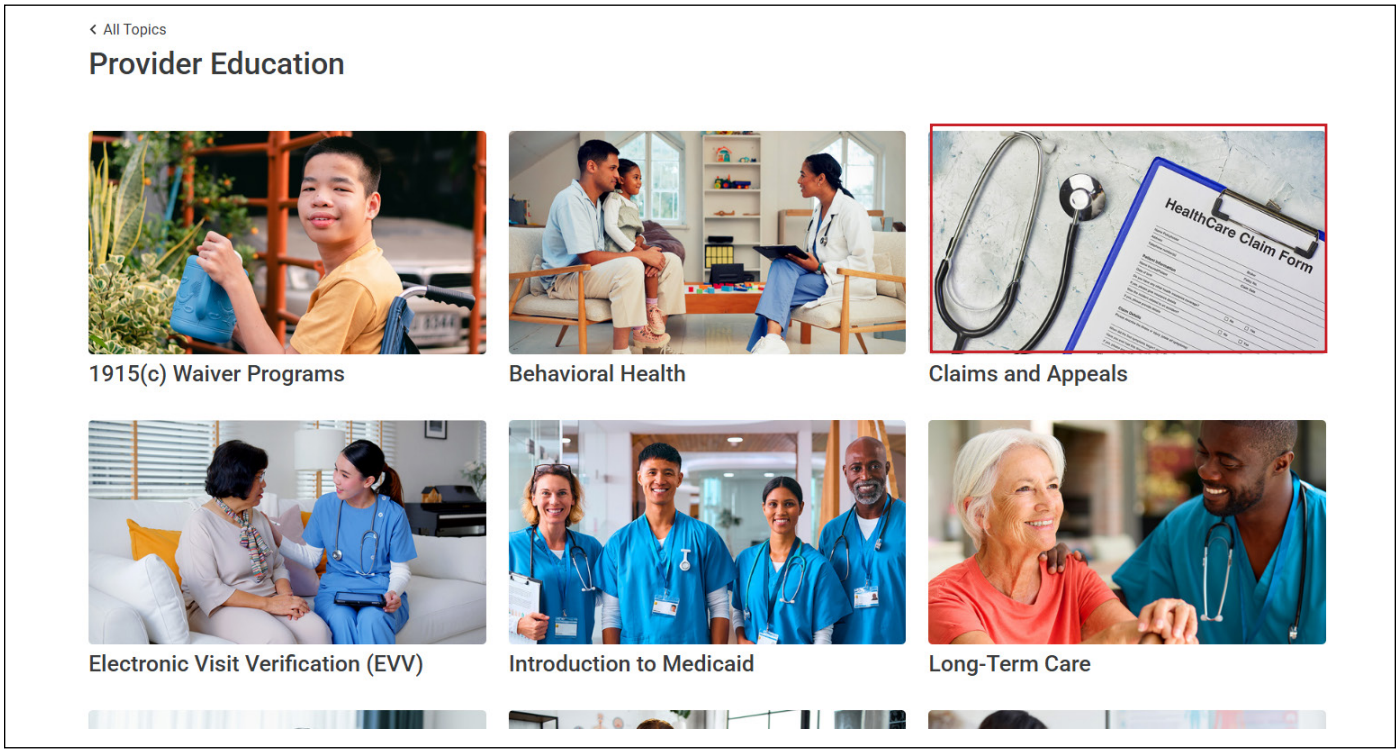
In the top-left corner of the LMS, you'll find several icons, while the top-right corner features a search bar and the Topics drop-down menu.

Browse Icon

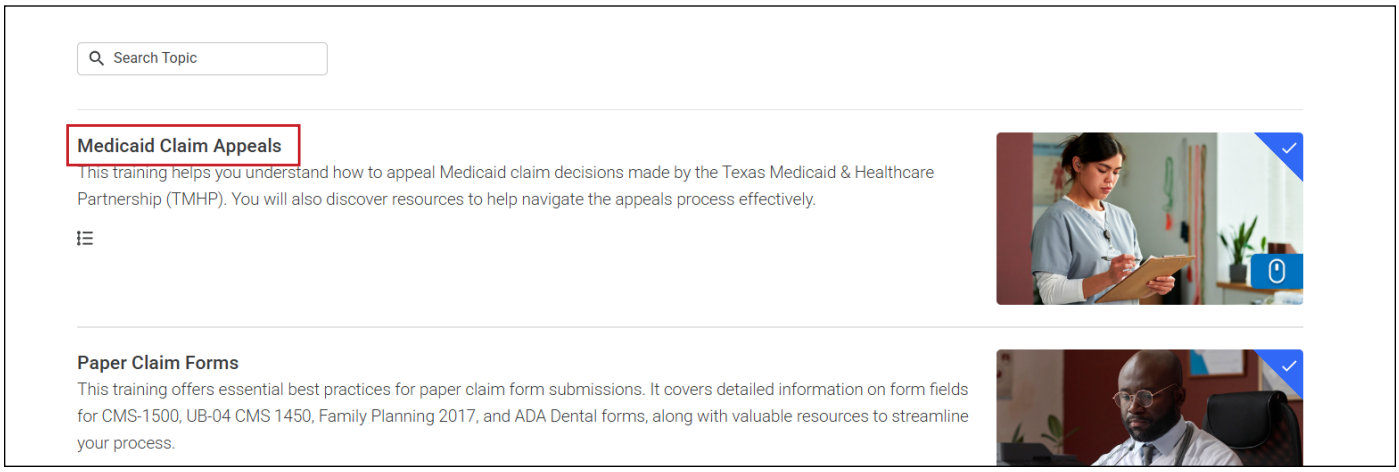
1) Click the Browse icon. The Provider Education page is displayed.



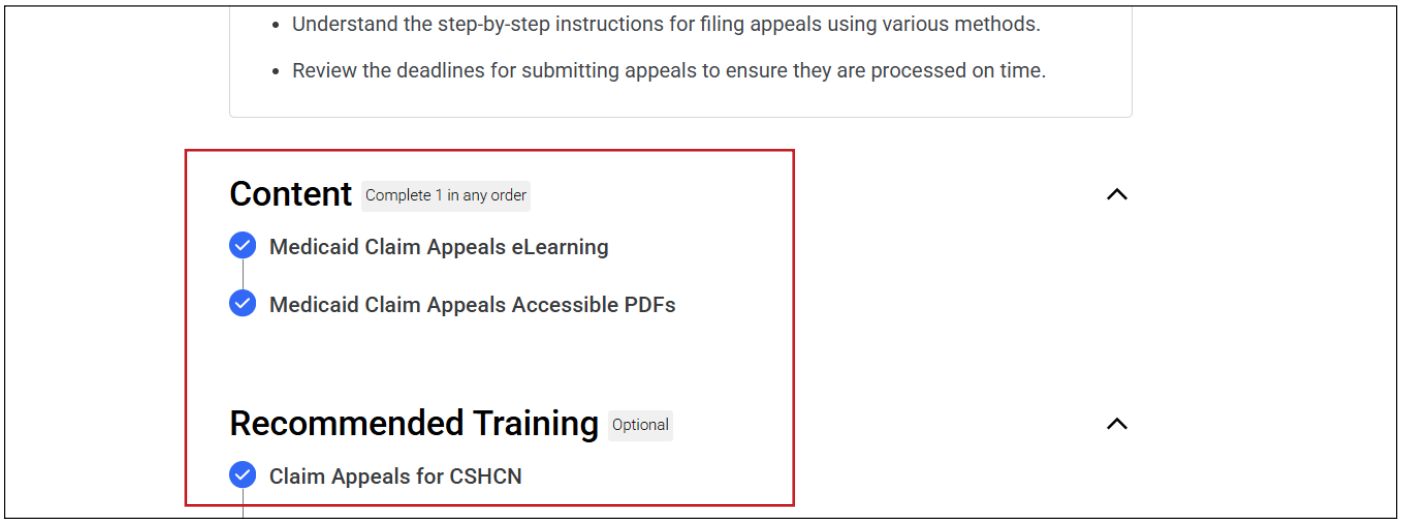
2) Click any of the topics or related images. A list of educational materials related to the topic you selected is displayed.



3) Select a learning path to view. The deliverables is displayed.

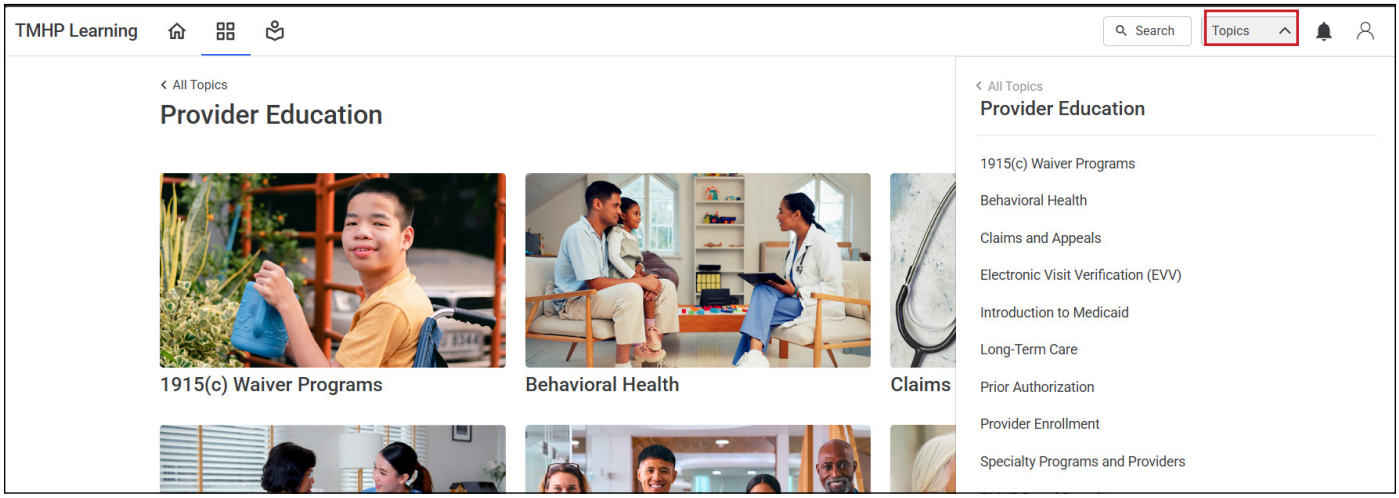


4) Select a deliverable to view. The material is displayed.



Topics Drop-Down Menu

1) Click on the Topics drop-down menu. A list of provider education topics appear.



2) Click a topic from the list. A list of learning paths related to the topic you selected is displayed.

3) Select a deliverable to view. The material is displayed.

Search Function

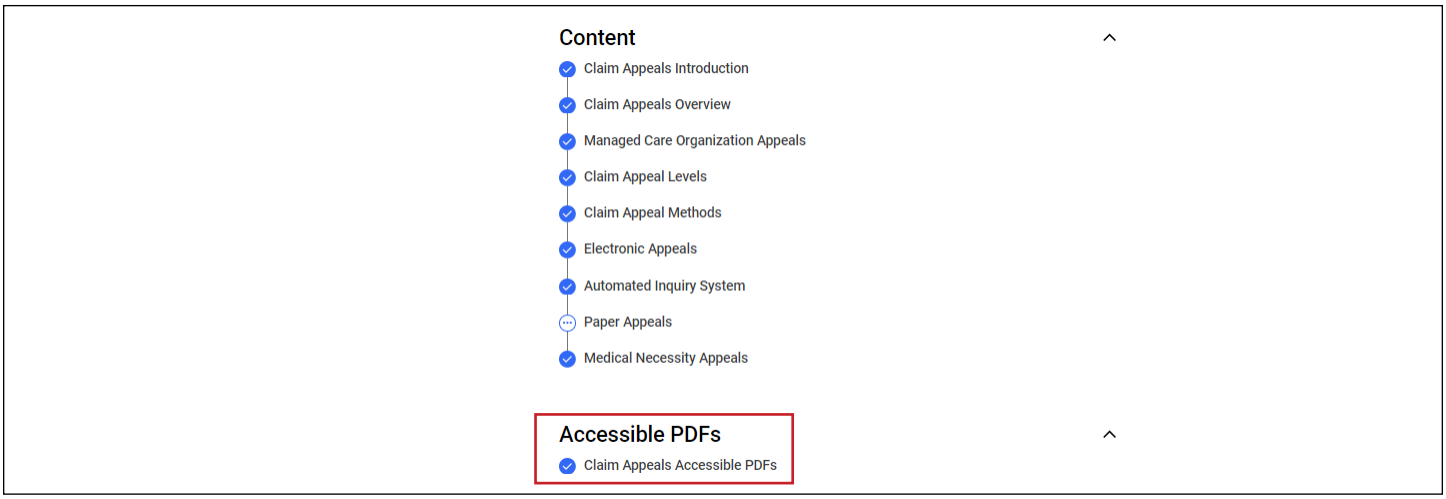
1) Click the Search function.

2) Type a keyword for the educational material you want to search for, and press **Enter**. A list of educational materials related to the search words you entered is displayed.

3) Select a deliverable to view. The material is displayed.

Accessible PDFs

The learning paths for eLearning modules, videos, and webinar recordings include portable document format (PDF) files that comply with the Americans with Disabilities (ADA) Act. These PDF files are compatible with assistive technologies such as screen readers.



Registration Assistance

Contact TMHP Training Support for support with registering for the LMS.
